Paine Field is one of the region's largest and busiest airports, and serves as home base for the Boeing Company's 747, 767, 777 and 787 aircraft production center.

Currently, Alaska Airlines, United Airlines, American Airlines, and Delta Air Lines fly out of Paine Field.

In January, 2022, Qatar Airways placed a \$34 billion deal with Boeing for up to 50 Boeing 777X freighters (built in Boeing's Everett Plant) with delivery in 2027.
