

Located seven minutes from Boeing Everett Factory and Paine Field, this vibrant shopping center serves Mukilteo and Everett on East Casino Road with 17,869 vehicles/day. Planning is underway for the Everett Link Extension, adding 16 miles of light rail and six new stations, one being considered near Casino Square.

The **Everett Link Extension** will enhance transportation accessibility for local businesses and customers. Businesses located near these stations may benefit from increased foot traffic and potential customers from neighboring communities such as Lynnwood, unincorporated Snohomish County, and Everett.

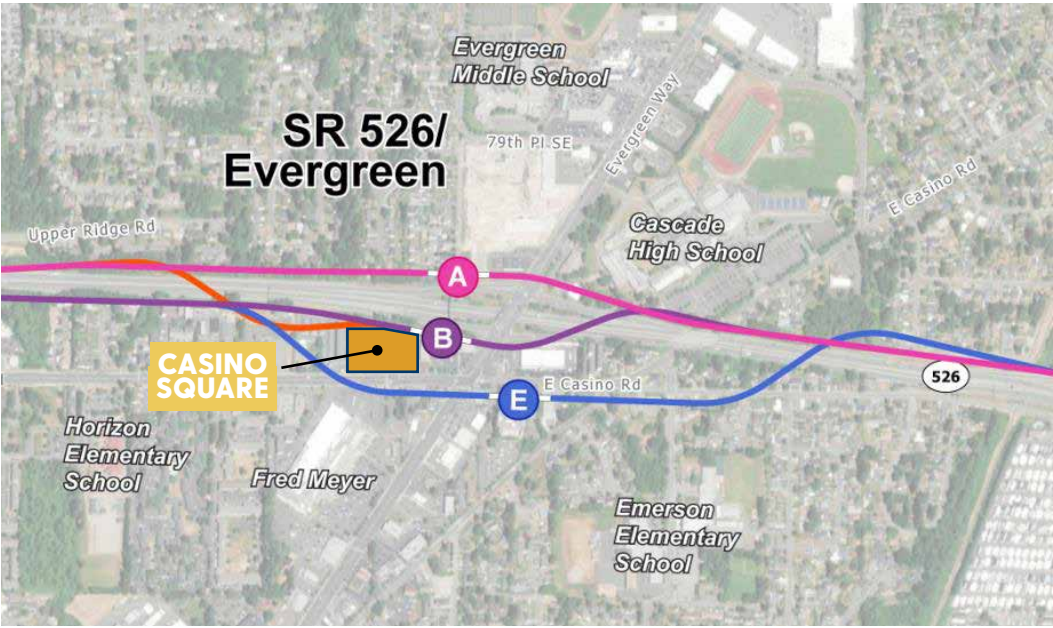

OPENING 2037-2041

# Everett Link Extension

Sound Transit will add 16 miles of light rail and six new stations connecting Snohomish County residents to the regional light rail network. Sound Transit is studying an additional provisional station in the planning process. This project will also include Operations and Maintenance Facility (OMF) North, a facility to support Link light rail operations. The project will connect the communities of Lynnwood, unincorporated Snohomish County, and Everett.

**SR 526/Evergreen Station** alternatives being studied. The Station alternatives being considered are labeled A, B, and E.

Paine Field is one of the region's largest and busiest airports, and serves as home base for the Boeing Company's facility at Paine Field, exclusively dedicated to the Triple Seven family of planes. This includes the present 777 Freighter, along with the new 777X, along with the occasional 767 Freighter.

In January, 2022, Qatar Airways placed a \$34 billion deal with Boeing for up to 50 Boeing 777X freighters (built in Boeing's Everett Plant) with delivery in 2027.

Currently, Alaska Airlines, United Airlines, American Airlines, and Delta Air Lines fly commercial flights out of Paine Field.
